### Message from the Principal

This week saw the end of our 2019 Kindergarten Transition program. Thank you Mrs Vaalele, the Kindy teachers and support staff for organising this program and helping our upcoming students settle into the routines of big school. It was lovely to meet our new families to the school.

On Monday the Muru Badanami Afternoon Tea highlighted the achievements of our ATSI students over the year and acknowledged their hard work into achieving their personal learning goals. Thank you to Miss Cynthia, Mrs Bircan and Mrs Sio for organising this significant celebration.

The mini-mini fete was a big success with the Stage 3 students raising another \$1300 to put towards their end of year ceremonies and celebrations. Well done Stage 3 students and teachers.

Ms Coupe  
Relieving Principal

## 2019 Kindergarten Enrolments

Applications are now due for children eligible to start Kindergarten in 2019. Children may be enrolled in Kindergarten at the beginning of the school year if they turn five years of age by 31 July of that year. Application forms are available from the school office. ### Important Information for Parents and Students

The Department recognises that some families will be subject to family breakdown. In the absence of any notification to the contrary, it will be assumed that both parents retain a shared and equal parental responsibility for their children and have been involved in making any decisions regarding their children's education. This means that the school will recognise that each parent has equal duties, obligations, responsibilities and opportunities in relation to matters involving the school.

If any changes occur in your family relationships which have the potential to impact on the relationship between the school and your family, you are required to advise the school immediately. This includes providing copies of any court orders that may be obtained.
