Term 2 Week 3 2020

Pride Goal Focus

Be Safe:

**Stay Safe, Be Aware,
Wash your Hands with
extra Care**

This term will certainly be the most unique welcome back in my career! I can confidently say it has been a trying time for all our staff working on our return to school. However, we will make the best of this situation with a smile on our face walking proud as a profession. The premier announced a transition back to the classroom model for Term 2. NSW public schools will gradually transition back to school one day per week, beginning this week. (Monday 11 May).

On Monday 11 May we will move into Phase 1 of the managed return to school for students. In this phase all our students will attend school one day per week and learn remotely for four days per week. It is anticipated that all NSW students will increase the number of days at school before the end of term, under the advice of the NSW Health. There will be social distancing in place.

We have ordered and received hand wash, sanitizer and paper towels for the students. When students arrive at school, they will be asked to wash hands regularly throughout the day.

To keep the staff and students safe we asked that parents drop off their children at Andover Cres each day and staff members will take the students to class. In the afternoon we will take students to the Andover Cres gates to dismiss them.

If you wish to speak to your child's teacher, we ask that you call the school and teachers will call you back when they have a break throughout the day.

Please Note Changes to Entry and Exit of the school

To ensure safety of all our students, staff and families entry into school will be restricted to Andover Cres entrance only. The pedestrian entrance at Welwyn Rd will be closed over the next two weeks to ensure safety and adherence with social distancing by parents/carers for drop off and pick up/collection of students.

Parents/Carers are asked to drop students off at the gate and not enter the school to keep everyone safe. No parents/carers can access classrooms or any other area of the school.

Please ensure that you are not waiting around or gathering with others outside the school grounds.

The canteen will be open for online order and orders made in the classroom. All snacks will need to be ordered. Please ensure that your child has a drink bottle with water, which can be refilled during the day as the BUBBLERS will not be accessible. Increased hand washing

and hand sanitising will occur at various times throughout the day.

Access to the school office is available as per normal office hours of 8:30am till 3:30pm. If entering and exiting the office please observe social distancing requirements.

In anticipation, I would like to thank you all for your support during this transition time. We understand how frustrating this can be over the coming weeks and we will try our best to minimise issues, your patience is appreciated, we are all here for the same reasons '**our students**'. We all want to move forward to ensure our students and staff can come to school and be safe and happy and succeeding.

This term will certainly bring challenges, but I am confident we as a community can work through this together.

The staff of Hebersham would like to thank you for your support and understanding during this time.

I would like to thank the staff who have worked tirelessly before and during the holidays to ensure the learning packs are ready for term 2.

Please follow us on Facebook which we update important information regularly.

Another useful website for updates:

Uniform Shop

The uniform shop will open on Thursday 14 May but any parent who wishes to go and purchase anything must come to the office first. Thank you for your understanding in this matter.

1. Open Thursday morning between 8:30am to 9:30am.

3. Social distancing is required.

4. Parents are encouraged to use online facility by clicking the following link

https://exceluniformsonline.com.au/Hebersham-Public-School_c47.htm

5. Before going up to uniform shop parents are required to come to the office first.

6. Alternatively, parents can also send an attached order form by email/fax

School Canteen

From week 3 the school canteen will be open for online orders and orders made in the classroom only. Students will not be able to buy food over the counter.

To make an online order please visit the Healthy Canteen website – www.flexischools.com.au

Canteen will be closed on Fridays until further notice.

Thank you for helping keep our school community safe.

We hope all our mums, nannas, grandmothers, aunties and godmothers had a lovely Mother's Day!
