Term 2 Week 6 2020

### Welcome back everyone!

Pride Goal Focus

**Be Safe:**

### Stay Safe, Be Aware, Wash your Hands with extra Care

– WELCOME –  
**BACK TO SCHOOL**

Last week saw the return of the majority of our students on Monday. We have very creative and caring staff who wanted to make the return to school a memorable and welcoming experience. Thank you to the staff for your efforts in welcoming back our students. There has been much positive feedback and support. We are grateful for feedback and it is particularly nice to feel appreciated, thank you for letting us know.

It was so exciting and rewarding to see all our students back.

While at school students will continue to follow good hygiene practices like:

- regularly washing hands
- no sharing of food or drinks – **please send your child to school with a labelled drink bottle**
- coughing and sneezing into your elbow or using a tissue to throw into the bin

The staff and community will continue to follow social distancing guidelines. **Parents are kindly asked not to enter the school grounds** when dropping off and picking up children. Staff will be available to walk students to their classrooms from the gates each morning. **There will only be 2 access points to the school for students.** Please read details below.

*Be a learner, be respectful, be safe*

It is important to keep our school and community as safe as possible. If your child is sick or unwell please keep them at home and seek medical advice from your doctor where necessary.

If you have any questions about your child returning to school please call the school for further clarification.

Please follow us on Facebook which we update important information regularly.

### National Reconciliation Week 27th May – 3rd June – In this Together

Last week the students celebrated and learnt about Reconciliation Week. This year marks the twentieth anniversary of the reconciliation walks of 2000, when people came together to walk on bridges and roads across the nation and show their support for a more reconciled Australia.

“As always, we stand on the shoulders of those who came before us, and Australians now benefit from the efforts and contributions of people committed to reconciliation in the past. Today we work together to further that national journey towards a fully reconciled country. Reconciliation is a journey for all Australians – as individuals, families, communities, organisations and importantly as a nation. At the heart of this journey are relationships between the broader Australian community and Aboriginal and Torres Strait Islander peoples.

*Be a learner, be respectful, be safe*

We strive towards a more just, equitable nation by championing unity and mutual respect as we come together and connect with one another”.

### COVID19 TESTING

If your child or anyone in your family/household is being tested for COVID19, please keep your children at home until you have your negative test results. Please ensure to call the school to let us know your child is being tested. We are very fortunate at present to not have anyone tested positive in our area.

### Birthday Celebrations

Unfortunately due to the current safety concerns, children will be unable to bring in and share birthday cakes/cupcakes/food with their classmates.

We wish these students a big happy birthday and appreciate your understanding and support in this matter.

### School Uniform

All students must wear the school uniform each day. Boys wear a gold polo shirt and the green shorts. The girls wear a gold polo shirt and green shorts or skirt. **Green jumpers and green track pants are to be worn in winter.** The girls are also able to wear the school uniform dress. No jewellery except stud earrings or nail polish is allowed.

Dear parents, guardians and carers,

**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

**Betty Papandreou**
