Term 2 Week 10 2020

Pride Goal Focus

Be Safe:

**Stay Safe, Be Aware,
Wash your Hands with
Extra Care**

The first semester of the year ends on Friday. It has been a busy term. As we move towards the end of Term 2, our teachers have been and will continue to work with their teams to plan for Term 3. This term has presented many challenges and I am very proud of the way staff have continued to work incredibly hard ensuring our students are always at the centre of their work.

To say that 2020 has been a year like no other is a huge understatement. With bushfires, floods and COVID, we have had a significant shift away from normal routines. However, it is nice to see some of those routines slowly returning. The sight of our students playing happily together in the playground is one that always brings a huge smile to my face. Hearing the children reflect on the learning and support that they have experienced over this period is another wonderful thing. The incredible response from staff and families in our amazing community has helped maintain a sense of calm. The needs of our students have been at the heart of every decision we have made and I am truly grateful for the care, support, patience and open communication between home and school. Together we have made a huge team effort to support our students. Thank you.

During Term 3 we will continue to reintroduce some of the normal routines. However a number of restrictions are still in place at the direction of the Department of Education and NSW Health. We will communicate these to you as the guidelines change.

Kindergarten 2021 Enrolments

We are very excited to be receiving enrolment applications for kindergarten students for 2021. If you have a child who will be commencing school next year at Hebersham Public School, please call the school office on 96259133 as soon as possible to arrange enrolment.

Student Lateness

As the mornings are getting colder, we are experiencing an increase in the number of students who are late arriving at school. While it might only seem like 5, 10 or 15 minutes, this is having a significant impact on the learning of all students and on students' ability to start the day in a settled way. Teachers are often having to interrupt lessons to settle in late students and to catch them up on what they have missed. Please try to have your children at school in plenty of time before the school bell rings at 9.00am, so that we can avoid this. Any child who arrives after the bell must go to the office for a late note before going to class.

Be a learner, be respectful, be safe

Student Drop Off and Pick Up-

From Term 3 Week 1 parents will continue to drop off and pick up students at the school gate. Staff will be on duty to support this process. Currently this process is working very well and we appreciate your patience and support. A big thank you to all our hardworking teachers and support staff. They all work so hard for the best for everyone at Hebersham. **In the afternoon all students will be leaving at 3.00 pm with all gates being open at 3.00pm.**

We wish all our Hebersham community a happy and safe holiday. We look forward to seeing your children back at school safe and sound on Tuesday 21 July for Term 3.

Betty Papandreou
Principal

Students at HPS **will return** to school in Term 3 on **Tuesday 21 July.**

Teachers will be at school on Monday 20 July for a Staff Development Day. They will be doing curriculum based learning.

COVID-19 TESTING

If your child or anyone in your family is being tested for COVID19. Please keep your children at home until you have your negative test results. Please ensure to call the school to let us know your child is being tested. We are very fortunate at present to not have anyone tested positive in our area.

Daily collection of your children

As the school office is at its busiest between 8.30 to 9.30am and 2.30 to 3.00pm, we would like to encourage parents/carers to make plans **prior** to school in regards to changes in pick-up arrangements. Whilst we recognise that at times there can be some unexpected changes in after school arrangements for students, can you please try and minimise calls by pre-organising where possible, with students. At times, the office is inundated with calls and messages needed to be given to students often with only a few minutes notice. The wellbeing and safety of students is our paramount concern and we do not want to risk messages not being received or unavoidable confusion.

Student Asthma Record, Anaphylaxis/Allergy ASCIA Plans

If you have not yet returned your Student Asthma Record, Anaphylaxis/Allergy ASCIA Plans for 2020, please do so **as soon as possible.**

Birthday Celebrations

Due to the current safety concerns, children will be unable to bring in and share birthday cakes/cupcakes/food with their classmates.

We wish these students a big happy birthday and appreciate your understanding and support in this matter.

School Uniform

All students must wear the school uniform each day. Boys wear a gold polo shirt and the green shorts. The girls wear a gold polo shirt and green shorts or skirt. **Green jumpers and green track pants are to be worn in winter.**

The girls are also able to wear the school uniform dress. No jewellery except stud earrings or nail polish is allowed. No false coloured braiding is allowed.

Pride Pins

Congratulations to our Pride Pin recipients for Term 2. The following students met their goals and consistently demonstrate how to be a learner; how to be respectful and; how to be safe in our school.

Unfortunately, due to COVID-19 we were unable to hold an assembly to celebrate, however we congratulate these children on this wonderful achievement and are very proud of them. They are:
